In the fall of 1973, a new face was added to the Bates College Field Hockey squad as a braided freshman from West Hartford, Connecticut rapidly racked up both goals and admiration for her increasingly apparent skill with each game.

"Wildewoman" continued gaining notoriety in and out of the state, by virtue of her indomitable playing style. In her senior year, the seasoned co-captain provided the leadership and performance which earned her the respect of both teammates and opponents.

On October 12, 1977, Priscilla Wilde crowned her field hockey accomplishments with a stunning 5-goal game against UMO, a feat which brought her over the record-breaking 100-goal mark. Backed by a strong, cohesive team, she completed her last and finest season.

Official recognition for Priscilla's achievements came in the form of the twice-won Evelyn Dillon Field Hockey Award, her selections to the Northeast College All-Tournament Team and the Northeast Squad II, and finally her appearance in *Sports Illustrated's* "Faces in the Crowd".

Congratulations, Priscilla!!!

On January 26, 1977 Jim Marois scored his 1000th career point in basketball.

Marois, a product of St. John's Prep, managed to compile an astounding set of statistics during his four years at Bates. With the quickness and coordination of a cat, Marois scored 1198 points, placing him second in Bates all-time scoring. His blistering 50% shooting average from the floor enabled him to average in double figures in each of his four years.

Jim, team captain both his junior and senior years, was named to the All-Maine second team as well as All-CBB. Also, as a senior, "Rookie" was named Coaches' All-New England (2nd team), UPI All-New England (2nd team), and received Honorable Mention All-American (Division 3).

The past four years at Bates have witnessed exponential progress in the Women's Basketball program. A major reason for this dramatic improvement has been Number 43, Priscilla Wilde. Paralleling the maturation of the team, Priscilla's skills have become more polished with each season, moving from 100 points in her frosh year to over 350 in her final season. Priscilla capped her basketball achievements with her 1000th point on March 11 against Machias, the first Bates woman to do so.

Priscilla's accolades include the Evelyn Dillon Basketball Award (1976 and 1977), the Scholar-Athlete Award from the Maine State Hall of Fame, an invitation to trials for the U.S. Collegiate Women's Basketball Team, and selection to the All-Maine Team. She is also a member of the U.S. Olympic Team Handball Team.

The seasons change, they come and go
And leaves have turned their shades and dropped
For five score years at Bates. I know.
I counted once last fall the rings
Of an Elm men had tried to save,
Then cut. A full century's growth
Became a few cold evening's warmth
The stump remained and spoke words true,
To all who stopped to give an ear,
That Autumn comes and Winter goes
And grow not old nor do they care
What time is on the Hathorn clock.
No, Autumn came but noticed not
That one less elm bursts out in praise
When Autumn comes, and when it goes
No longer rents its clothes and weeps.
And though I know and mourn its loss
Next year, when autumn comes again,
It won't see me I won't be there.
